

Child Development Checkups

For all children 2.5-5 years of age

Using the Ages & Stages Questionnaire

Come participate in activities with your child at the Lethbridge community developmental checkup.

All parents with children between 2.5 and 5 years of age are invited to learn more about their child's development, community resources and programs available.

You will be able to find out what skills your child is developing that he/she will need, to **arrive at preschool/kindergarten ready to learn!**
